Welcome… to NAYRS News, our newsletter written to keep you in the know about the happenings each week at the Youth Center! In our last edition of this school year, you can find everything you need to know about summer programs, Step Up's Book Drive, the 8th Grade Summer League draft, and the Last Day of School Party!

Step Up

Step Up is the Youth Center's middle school girls community service group, and this year we had two great groups of girls that helped make a difference in the community.

Our first session group volunteered at the Stevens Memorial Library, the Senior Center, collected jeans for homeless teenagers, held a Tommy Strong bake sale and made and sold homemade sets of coasters to raise money for GoKids Boston!

Our second session Step Up crew continued the good deeds with trips to the library and the Cor Unum soup kitchen in Lawrence, and their biggest project was coordinating a book drive for a new library in Kigali, Rwanda. With the help of many generous donors, they collected 930 books!

We are proud of the work these groups did this year, and can't wait to do more next year! If you are interested in being part of next year's Step Up group, register in September at the Youth Center.

Last Day of School!

We're ready for summer! We will be hosting our annual Last Day of School party for our members on Tuesday, June 24th. Head over when school gets out, and enjoy an afternoon full of fun! We will have a cookout, a DJ, carnival games, an inflatable obstacle course, and a photobooth!

8th Grade Summer League Draft

Written by: Jason Kenneally

There was a visible amount of excitement here at the North Andover Youth Center because it was the 2014 Joseph Walsh Summer League draft. Five rounds of the draft were announced over the intercom. A lot of very popular prospects went high like most of us suspected, but there were a lot of surprises too. The obvious favorite for the number 1 pick overall was Stephen Hajjar and he did go number 1 to Andy Depari's Wizards. We did not get a chance to actually get into the draft room, but behind the closed doors after every pick there was an eruption of screams. It was a very good day for everyone who was drafted. We wish all four of these teams good luck throughout their journey in the pursuit of winning it all.
