

## **Fields Committee Meeting Notes – 11/20/14**

- Rick Green gave comprehensive project updates on Mcevoy and Dale Street fields. Rick is working closely with Bruce and DPW and he will keep us up to date on punch list items going forward **ACTION ITEM** – Terry brought up sign issue that we need to have CHADWICK Field Sign added to playground
- Rick Gorman updated committee on prelim plans to form a Middle School redevelopment planning committee: This will be spearheaded by Andrew Maylor and Jim Mealy. Our recommended names for committee are Rick Green and Terry Holland. I will keep committee in loop during winter
- Reviewed all Fall permits and officially closed all town fields for fall 2014
- Most items that we need DPW to assist with have been completed. **ACTION ITEM** – Rick Green will connect with Tim on a couple of final to do's
- Terry Holland updated committee on CPA Grants, process etc and stated CPA is thrilled with our two completed projects and are very interested in the middle school project
- Baseball discussed issues with Sharpners 2 baseball fields and that it is more off line than on line. Committee discussed a few possibilities and we will continue to address concerns this of season. **ACTION ITEM:** Rick Gorman to meet with Bruce / Tim on water issue at Sharpners
- Dave Johns addressed concern with ATV on field at sharpners – more boulders, potential fencing will be discussed
- Reviewed Town Managers office draft on sponsorship
- Scott Young introduced himself to the committee and looks forward to working with all groups
- You should all be proud of the great work this committee has done on both Dale Street and Mcevoy, exciting times
- Lastly on behalf of the entire committee I want to thank Kevin Breen for his service to this committee. Kevin has been great to work with over the years and Kev, don't be a stranger there is always a seat at the table

**We will not meet in December and January, we will reconvene in early February as we prepare for Spring 2015**
