Dear Friend of the Youth Center,

We're writing you this letter to request a donation to our Youth Center's upcoming fundraising event scheduled for March 10th, 2012. We are planning a fundraiser which will feature live & silent auctions and raffles in a fun social setting at our Youth Center. Last year's sold out event was a resounding success - a tribute to the commitment of our supporters and our community! We hope you will consider a donation to this year's event to once again help us raise much needed funds. We can not continue to do what we do for our kids without the generosity of people like you!

We are extremely fortunate to have the Joseph N. Hermann Youth Center in our community. Numerous programs and services are provided to the children of North Andover both within and outside the walls of our facility. Past community leaders and private donations brought the vision of the creation of our organization to reality and each year our primary support for both programming and facility maintenance is from private donations.

Some of the key services that the Youth Center provides are:

- Nearly 100 annually run programs supporting over 3,000 of our Town's youth. All outside program costs and all operating expenses are funded from membership fees and donations.
- The Youth Center provides youth-at-risk programs dealing with anorexia/bulimia, drug abuse and alcohol intervention.
- Thanksgiving and Holiday Drives are organized by the Youth Center, which provides needy families in the community with holiday meals and gifts.
- Each year scholarships are given to over 100 members who cannot afford the membership fee. The Youth Center's policy is that no child will be denied membership due to their inability to afford the fee.

We hope that you will be able to help us with our fundraising efforts this year and thank you for considering making a donation to our upcoming event.
