

NAYRS News

Monday June 9 – Friday June 13

Welcome... to NAYRS News, our newsletter written to keep you in the know about the happenings each week at the Youth Center! In this edition, you can find everything you need to know about summer programs, Youth Appreciation Day and Step Up's Book Drive!

Step Up Book Drive

This is the last week to donate to Step Up's Book Drive! Step Up, one of the Youth Center's community service groups, is running a Book Drive from Wednesday, May 21st through Friday, June 13th. We are collecting children's books in good condition, in our collection bins at the YC & NAMS. These children's books will be donated to the Kigali Reading Center, a new library in Kigali, Rwanda, that is being created to give kids of Kigali a chance to improve their reading, English skills, and overall education!
