

Youth Council Application 2008-2009

Youth Council has been a staple program here at the youth center for the past 15 years. It is a program that has had a positive effect on high schoolers and in turn those high schoolers have had a positive effect on the North Andover Community and beyond. In order to continue to run as successfully as it has in the past, students who choose to apply to Youth Council need to be ready to commit fully to the group. The group will meet every Thursday from 6:00 - 7:00. Youth Council will be run by Micaela Tetrault and Ted Schruender. If you can not commit to coming on a regular basis at this time then please do not fill out an application. Youth Council will be available for all North Andover students in grades 9-11. All applications must be returned to the youth center, no later than Friday, September 19th.

Youth Council Mission Statement

To have a positive effect on everyone in the council, on other high school students, younger kids in the area, and any other people in the community. We want to show people throughout the community a solid image of high school students.

If chosen to be on Youth Council, what is one thing that you would like to accomplish this year?

What strengths do you think that you would bring to the Youth Council group?

What do you think is the biggest issue that is facing our country today?

What do you see yourself doing in ten years?

If you could meet one famous person, who would it be and why?
