

# Animal & Environment Week

**Sunday, August 16<sup>th</sup> through Thursday, August 20<sup>th</sup>**

**WHO:** Open to High School Girls

**WHERE:**

On **Sunday**, we will be going to **Maple Farm Sanctuary in Mendon, MA**, an animal sanctuary providing lifelong homes for abused, abandoned and unwanted farmed animals while promoting veganism and respect for all life through public information.

On **Monday**, we will be doing a **beach clean up** and **tide pooling** at Plum Island or Salisbury. Learn about marine life and ecosystems and how our actions affect them.

On **Tuesday**, we will be participating in the **Nicodemus Wilderness Project**, an initiative that engages young people in environmental clean up and conservation projects.

On **Wednesday**, we will be going to **Greyhound Friends in Hopkinton, MA**, a non-profit organization dedicated to saving racetrack greyhounds and placing them in responsible, loving homes.

On **Thursday**, we will be going to the **EcoTarium in Worcester, MA**, a unique indoor-outdoor museum set in an urban oasis. A chance to walk through the treetops, take a thrilling multimedia journey through the galaxy at a digital planetarium, meet wild life, stroll nature trails and much more.

**Total Cost for Animal & Environment Week is \$30 plus an additional \$10 if you choose to do the Tree Canopy at EcoTarium.**
