ELEMENTS IN THE SKATE AREA:

- 5'x 8' Bank Wall
- 4'x 12' 1/4 Pipe
- 2'x 12' Pyramid with ledge
- 2'x 16' Kinked Rail
- 3'x 16' Half Pipe with spine
- 2'x 8' Launch Box
- 1'x 2' Grind Box

The skate area was designed by Youth Center members and staff, and built in the spring of 2002 by Zero Gravity Roller Sports.

Only skateboards, roller blades and non-motorized scooters are allowed in the area. Helmets are required for all participants and a complete set of rules are displayed at the park. All participants must have a waiver signed by their parents or legal guardian before they can skate. No Exceptions! Waivers are available at the front desk of the Youth Center and from skate area attendants.

area and who want to be involved in making decisions about it. All area participants are invited and encouraged to attend committee meetings and get involved with the area planning.
